

Thank you for downloading The Button Affair!

The Button Affair is an action adventure side on running game featuring Enzo Gabriel in his quest to steal the priceless Button Jewel from the infinitely wealthy Tycoon Victor Meirelles.
It is a game that wants to give players a high quality, fun 10-15 minute experience only. This is to allow players to move on a little richer in a busy world.

We hope you enjoy the game. Thank you for your time!

Installation
To play the game simply extract the files to your computer. Then double click The Button Affair executable on PC or run the app on your Mac depending on which version you have downloaded.

The game has no protection or DRM measure meaning it is free to distribute.
Please do not sell or charge for this game in anyway.

SpecialEffect

For the release of The Button Affair we have teamed up with **Special Effect**. A games charity dedicated to using technology to enhance the quality of life of people with disabilities. Click here to read more about them and their work.
We hope people enjoy the game and if they do then to consider donating **£1** to Special Effect either by this

JustGiving page. Or by texting **enzo50£1** to 70070 to donate £1.
To give you an idea of the kind of difference we hope to make. **£250** will buy a specially modified joystick that can be loaned out to disabled people who have difficulty using their hands to master a standard games controller. **£1000** will buy the complex mounting and switching equipment needed for a severely disabled person with very little body movement to enjoy the benefits of computer games.

If we can improve the quality of life for one person out there we will be over the moon and the guys at Special Effect are the best people to make that difference.

If you have any questions about this game please dont hesitate to get in touch with us. The best way to do so is on Twitter via this list here:
